SIMON WINS AT LONG BEACH— After back-to-back second place finishes to start the year, Simon Pagenaud became the third winner of 2016 as he claimed the victory at Long Beach on April 17. It was the first win for Pagenaud as a member of Team Penske and helped him build a 14-point lead over Scott Dixon in the Verizon IndyCar Series point standings heading into this weekend's Honda Indy Grand Prix of Alabama.

WHAT TO WATCH FOR THIS WEEKEND:

TEAM PENSKE LOOKS TO CONTINUE BARBER DOMINATION: Team Penske has won three of the previous Verizon IndyCar Series races at Barber Motorsports Park. Team owner Roger Penske will look to add another trophy to his team's collection during the Honda Indy Grand Prix of Alabama with strong cars that have been dominant through the first three races, including wins in two of the three races this season.

HUNTER-REAY GOES FOR A ALABAMA HAT-TRICK: Ryan Hunter-Reay is one of two drivers to keep Team Penske out of victory lane at Barber Motorsports Park with his wins in 2013 and 2014. Hunter-Reay goes for his third win in four years at the track this weekend.

NEWGARDEN'S HOME TRACK: Josef Newgarden isn't from Alabama, but he considers Barber Motorsports Park to be his home track. The defending Honda Indy Grand Prix of Alabama winner hails from Hendersonville, Tenn., a few hours away from the track, where he claimed his first Indy car win. Can Newgarden repeat in front of friends and family and score some more home cooking for Ed Carpenter Racing?

2016 SCHEDULE

Firestone® FAST FACT

During the tire building process, heat and pressure are applied in a mold to cure the tire's rubber components in a process known as vulcanizing. This process is named after Vulcan, the Roman god of fire. In Birmingham, a 56-foot statue of Vulcan, the world's largest cast iron statue, overlooks downtown from Red Mountain.
