Firestone | FAST FACT

The Firestone Race Tire Engineering team will bring more than 1,600 Firestone Firehawk race tires to the Honda Indy Grand Prix of Alabama, including 7 sets of black sidewall primary tires and 4 sets of red sidewall alternate tires for each entry in the field. Each car has 5 sets of rain tires. After receiving positive feedback from teams at Barber last season, both the primary tires and alternate tires feature the same race-proven compound and construction used in the 2018 race.
