Firestone | FAST FACT

Given its proximity to Mid-Ohio Sports Car Course Firestone Racing considers the Honda Indy 200 at Mid-Ohio a home race. Located just 75 miles from the Bridgestone Americas Technical Center and the Advanced Tire Workshop in Akron, which is where all Firestone race tires used in the NTT IndyCar Series are designed and produced. For this season, more than 60 different tire specifications have been developed and more than 26,000 Firestone Firehawk race tires will be produced by the Firestone Racing teammates at those Northeast Ohio facilities.
