### NEWGARDEN DRIVES TO SECOND BARBER WIN:

Josef Newgarden became the third different winner in as many races when he claimed the Honda Indy Grand Prix of Alabama at Barber Motorsports Park. It was Newgarden's first win as a member of Team Penske. Will there be another new winner this weekend?

Chris Owens/INDYCAR

## WHAT TO WATCH FOR THIS WEEKEND:

- **FIRST OVAL OF 2017:** The Desert Diamond West Valley Phoenix Grand Prix is the first of six oval races on the 2017 Verizon IndyCar Series schedule. In 2016, the five oval races were won by five different drivers, including Scott Dixon's win at Phoenix. Who will set the stage for a strong Month of May at Indianapolis with a strong performance in the Valley of the Sun?
- **FASTEST CARS IN PHOENIX:** In 2016, Helio Castroneves became Phoenix's "King of Speed" averaging more than 192 mph around the 1-mile oval to set a new track record. With qualifying happening under the lights on Friday, will Castroneves' record fall this year?
- **STILL ON TOP:** One of the biggest surprises of the 2017 season is Dale Coyne Racing's Sebastien Bourdais, who has led the Verizon IndyCar Series championship since the opening race of the season. Bourdais was one of the top drivers at the Prix View open test in February. Will he be able to maintain his momentum to open the season?

## LED DISPLAY PANELS:

### POSITION: RED

Primary display, showing the car's position in the running order. Blinks when the position has changed from previous lap.

Example: Car is running in P12.

### PIT STOP TIMER: GREEN

Display shows a running clock during a pit stop in seconds.

Example: 7.9-second pit stop.

## Firestone | FAST FACT

At 2016 race speeds (183mph), an Indy car can travel from Phoenix International Raceway to the Bridgestone Americas Biorubber Process Research Center in Mesa, AZ (53 miles) in under 17.5 minutes. It would take more than an hour for the rest of us.

# Take the driver's seat from any seat.

INDYCAR Mobile gives you access like never before, with live in-car streams, telemetry data, live audio feeds and so much more. All on your phone. Only on Verizon.
